ELECTRIC CLEANERS

> PUSH'N'GO™

A PATENTED INNOVATION FOR EASY ACCESS TO THE FILTER

To make the filter even easier to access, Zodiac® created Push'n'Go™, an exclusive system that combines **comfort and ease of handling**.

REFERENCE POINT

Find the Push'n'Go™ on the CyclonX™ range.

> HOW DOES IT WORK?

Step 1

Press the Push'n'Go™ button, located on the top of the cleaner, to release the handle of the filter basket.

Step 2

The handle lifts automatically.

Step 3

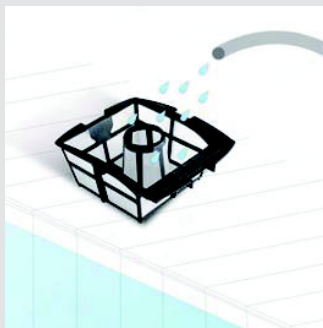

Just pull the handle to remove the filter basket from the cleaner.

Step 4

Press the two buttons located below the sides of the lid. Pull the handle and remove the cover.

Step 5

The filter basket is ready to be cleaned.
